Effective July 1, 2018, the Detroit Housing Commission (DHC) will use the following Local preferences for its public housing program:

Families Displaced by Federally Declared Disaster: Applicants displaced by a federally declared disaster occurring after July 1, 2005. This includes participants in public housing or voucher programs at other housing agencies. These families will rank higher on DHC's wait list than displaced families who are not participants in Public housing or voucher programs at other housing agencies. A Family that claims it is being or has been displaced due to such a disaster must provide written verification.

Disabled Families: Applicants with a disabled head of household, spouse, or sole member. All applicants claiming this preference must provide verification of disabled status, or be referred to DHC by an agency or organization providing services to the disabled. The referring organization or agency must have a formal agreement with DHC.

Local Preference Related to VAWA Victims: Applicants that are victims of domestic violence, dating violence, sexual assault or stalking. Applicants claiming this preference must 1) apply with and referred to DHC by an organization with which DHC has a formal partnering agreement, or 2) be referred by DHC's Director of Resident Services. All families must provide documentation of VAWA victim status. During the application process the applicant must certify that the abuser will not reside with the applicant without DHC's prior, written approval.

DHC's waitlists will remain open only to applicants claiming the preferences listed above. Preferences do not guarantee eligibility for admission to the public housing program, or an offer of housing.

DHC, pursuant to HUD regulations, will accept applications from families who claim one or more of the aforementioned local preferences on Tuesdays from 9:30 a.m. to 12:00 noon, effective Tuesday, July 10, 2018, for the following communities (all communities are in Detroit, Michigan; please contact the site(s) of interest for more information):
