

Attention Owners!!

In compliance with Federal, State and Local ordinance, the Detroit Housing Commission (DHC) will require **Rental Registration/Certificate of Occupancy for all incoming Request For Tenancy Approval (RFTA) submitted on or after August 1, 2018.**

DHC will begin implementation of the **Rental Registration/Certificate of Occupancy requirement for units currently under contract effective October 1, 2018.**

For more information regarding Certificate of Occupancy and/or Rental registration requirements, ***contact the local municipal government office where the property is located.***

**** Registration requirements for properties located within the City of Detroit will be implemented by zip code in conjunction with the City of Detroit Rental Registration schedule.*
