Dear Resident of the Villages at Parkside:

You are cordially invited to a resident engagement event. DHC is preparing a Request for Qualifications to identify a private-sector development partner to help us plan for redevelopment activities at Parkside (for instance, building new housing on the vacant parcels of land facing Chandler Park).

We want to know from you: what qualities are residents looking for in a development partner? This event will give you the opportunity to have your voice heard and to discuss your ideas with your neighbors. Light refreshments will be provided. The event will occur at the following time and location:

Saturday, October 15, 2022
1:30pm to 2:30pm
Community Center Building

We also want to select four resident representatives to be part of the committee which will review and vote on applications from interested development teams. Please use the enclosed ballot to vote for a resident representative (one vote per household). Volunteers will be present at the resident event to collect and count the ballots.

If you spoil your ballot, please bring the spoiled version with you to the community center on that Saturday so that volunteers can provide you with a clean copy.

We look forward to seeing you there!
