Dear Resident of the Villages at Parkside:

DHC is delighted to share that we received eight submissions from developers interested in redeveloping Parkside. Four DHC staff representatives and your three elected resident representatives (Joyletha Goodwin, Latesa Arnold, and Margaret Robinson) will be reviewing and scoring submissions this week to identify the top three developers.

Please join us in the community center next **Wednesday, December 7, 2022 at 7:00pm** for presentations from the top three developers. Residents will have the opportunity to ask the developers questions at this event. The event is expected to last until approximately 8:45pm.

Sandra Henriquez
