IMPORTANT: UPDATED EVENT TIME!

Dear Resident of the Villages at Parkside:

Earlier this week you received a flyer about the Parkside developer presentations. Please note they are now **Thursday, December 8, 2022 at 9:00am on Zoom**, NOT in person. Link is below.

This morning, the review committee (a mix of DHC staff and Parkside residents) voted to invite three developers to present their vision for Parkside. All three binders are available in the lobby of the Parkside community building for you to review, or online at dhcmi.org/villages-parkside

We would like you to ask questions of the developers, and to provide comments to help the review committee make a final decision. Questions/comments received before **Thursday, December 8 at 9am** will be shared with developers at that morning's presentation. All questions/comments received before **Friday, December 9 at 1pm** (when the committee will hold its final vote to select a developer) will be shared with the review committee.

You have the following opportunities to participate:
